P.U.S.H Through!**

Many of us are familiar with the acronym PUSH, pray until something happens. Often, we stop praying before the something actually happens. It begins to get hard to push through. We begin to lose hope and quit praying. We allow the fear of the unknown to take control of us. we let fear stop us from dreaming and believing. In the book To Bless the Space Between Us, John O'Donohue wrote: "may I have the courage today to live the life that I would love, to postpone my dream no longer.

But do at last what I came here and waste my heart on fear no more." Do not let fear prevent you from following your dreams. Your blessings are right beyond that thing that you fear the most. Remember that you can do all things through Christ that gives you strength. I pray that God will revitalize you, that you can be the person that God has called you to be and not the person that others want you to be. Do not let fear dictate what you can do. God has your back. Continue to PUSH through your fear and heartaches to get to your purpose.

2 Timothy 1:7 says, "for God has not given us a spirit of fear, but of power and of love and of a sound mind." Remember to rely on the power of the Holy Spirit that God has placed with in you. God's power and love will take control of your fears and give you the courage to push your way through to victory.

**Patiently taking the time to walk on through**

**Ushering the presence of the lord and keep Him in my view**

**Spirit of the living God fall fresh on me**

**Humbling my self to you so that I can plainly see**

**No matter what comes my way, Pushing is what I will do every day**
